

## A CHURCH SET ON FIRE.

THE VILLAGE OF DUQUESNE, PENN., VISITED BY ROBBERIES AND INCENDIARIES.

THE ONLY METHODIST CHURCH IN THE PLACE DESTROYED—ATTEMPTS TO BURN THE HOUSES PARTIALLY SUCCESSFUL—SUSPICION FALLS ON THE STRIKERS.

Pittsburg, July 28.—Early this morning a most daring attempt was made to burn the village of Duquesne, in this county, and to rob the houses and stores of a number of villagers. Both attempts were partially successful. The only Methodist Episcopal Church in the place was completely destroyed by fire, and the rear of the house of Mr. Gray, chief clerk of the Allegheny Bessemer Steel Works, was badly scorched. Three other buildings were entered and robbed.

Duquesne was the scene, two months ago, of a most stubbornly contested strike of steel workers. Since the settlement of that difficulty the people of the place have enjoyed peace and quiet, except when an occasional fight between the strikers and non-union men disturbed the village affairs. It is not too much to say that at any time to-day the perpetrators of the outrage upon the happiness and security of the people had been caught a lynch party would have followed.

Frank Gray, the chief clerk at the Allegheny Bessemer Steel Works, lives in a pretty frame house on the hillside. He was awakened at 10 o'clock this morning by the smell of smoke, and found his porch covered with smoking cotton waste. Fortunately the crew of a passing train had left their cars and had extinguished the flames, thus saving the lives of Mr. Gray and his family, and of Mr. Treat, of the steel works, and his family, all of whom were asleep in the house. Mr. Gray incurred the enmity of the strikers and seems disposed to charge the incendiarianism to their sympathies.

Twenty minutes later the Methodist Episcopal Church, which stood across the way from the house of H. P. Smith, a director of the Steel Company, was set on fire and destroyed. It had been the scene of a strike, and it is supposed of setting fire to his house, but they were frightened away by dogs. Twenty other buildings near by were endangered by the flames. One raider, who at the time visited the residence of William Smith, but before his object could be ascertained Mrs. Smith opened the shutter and thrust a revolver in the intruder's face, and he fled.

There is a division of opinion as to whether or not robbers or friends of the strikers tried to burn the town. William Oliver, who owns \$10,000 worth of houses at Duquesne, and to whom belonged the Gray and Smith houses, blames the strikers, and mentions two men who are under suspicion. Mr. Gray and Mr. Smith are cautious in their expressions. The town people decline to believe that the strikers are in any way guilty, as the strikers all live at Duquesne, and would be the most sufferers. The loss on the church is \$1,000.

The triple attempt to burn the town has aroused intense indignation, and mass-meetings will be held to-morrow to raise funds and employ detectives to run the perpetrators down.

## BOULANGER WINS IN TWELVE CANTONS.

THE REPUBLICANS GAIN IN THE COUNCILS—GENERAL ELECTIONS.

Paris, July 28.—Elections for members of the Council-General were held throughout France to-day. General Boulanger contests 451 cantons. He has been successful in Bordeaux, where he polled 3,316 votes, against 2,991 for his opponent. He was defeated in Montpellier and Rouen.

The results are known in 420 cantons. Boulanger is successful in only nine. The Republicans gain three cantons from Conservatives. Returns from 550 cantons show that Boulanger has been successful in only twelve. Returns are still awaited from 905 cantons. The hopes of the Boulangerists have fallen to zero.

The time granted to General Boulanger, Count Dillon and M. Rochefort to answer the summons of the Senate Court having expired, an official notice was served upon their residences to appear before the accused ten days in which to appear before the court. Failing in this, their property will be sequestered and they will be deprived of all civil rights.

The Councils-General are local councils which regulate the finances and taxation of the various departments of France. The elections are held every three years, and the members serve for six years, one-half of them retiring at each election.

## MITCHELL READY TO FIGHT SULLIVAN.

London, July 28.—Mitchell, the pugilist, was interviewed at Queenstown to-day on the arrival of the steamship on which he was to leave for America. He said that he was ready to fight Sullivan. He said that he was confident in his ability to beat Sullivan. Donovan, said Mitchell, had no right to throw up the sponge; though Kilrain's second, he was Sullivan's man. Mitchell denied the truth of the report that he had been offered a large sum of money to fight Sullivan. He said that he and Kilrain were good friends. Mitchell said he was ready to fight Sullivan anywhere.

## DOM PEDRO'S ASSAULT.

San Paulo, July 28.—The Portuguese who fired a shot at Dom Pedro on the night of July 16, which the latter was leaving the theatre, is named Adriano Valle. He declares that he was instigated to make the attempt upon the Emperor's life by a republican association.

## A REWARD FOR THE CAPTURE OF BUSHIRI.

Zanzibar, July 28.—Captain Wissmann offers a reward of 2,000 rupees for the capture of Bushir, a renegade Arab, who has been causing much trouble. There are fears for the safety of the Mwamwani mission. Bushir with his own hand murdered an official of the East Africa Company named Nelson, a German, and a British subject, and he is now at large.

## WHAT THE GREENBACKS WILL DO.

Washington, July 28.—Chairman George O. Jones, of the National Greenback Committee, will to-morrow issue a circular letter in which he will say:

In reply to many inquiries from Prohibitionists, Socialists, and representatives of other sentimental and semi-political organizations, asking advice as to what action will be taken by the coming National Convention on the questions they represent, I desire to say that it is the almost unanimous opinion among National Greenbackers that the National Greenback Convention, to be held at Cincinnati on December 12, will issue a declaration of principles to the questions of restored franchise and a spirit of true American nationality among the entire people; opposition to the dangerous sectionalism of a solid North and solid South; to payment of public debts according to original contracts under the laws of the United States; to the money, land, transportation and other trusts; to the material interests and welfare of the American people and free government.

The letter then says that trade and commerce is languishing for want of more money, and declares that the application of Greenback principles would stimulate business and increase the prosperity of the laboring classes, and of the merchant and manufacturer. It closes by requesting no persons to come to the Convention.

## RESTRICTED BY THE OMNIBUS BILL.

THE AUSTRALIAN BALLOT REFORM DEFEATED IN SOUTH DAKOTA BY THE ACT OF CONGRESS.

Sioux Falls, S. D., July 28 (Special).—During the entire session of the South Dakota Constitutional Convention, members have felt handicapped by the rigid provisions of the Omnibus bill.

It was not until the second time last May, and the Omnibus bill allowed only specific changes. It was a constant study on the part of the delegates to keep within bounds. Early in the convention a number of trifling amendments were offered. These would have improved the Constitution, but conservative members always shook their heads and said no. Members of the Schedule Committee have decided to find out means for making the election of State officers and the Legislature coincident with that of county officers and members of Congress.

His convulsions were terrible to witness in the restoration process. He gasped for breath and ground his teeth together, and his whole body was writhed, as if undergoing the most excruciating tortures. The time of his fingers were badly burned, and when he was lifted to his feet he tore around the saloon like a raving maniac, looking for the men who had hit him. It was a long time before Jones could be subdued and removed to his home.
